That part which lies south of the road which crosses Townsend avenue in the direction of the old Fort is the South Haven District. The City District is divided for convenience into ten sub-districts. Each one contains a Grammar School, which, with the other schools in that sub-district, is under the supervision of a principal. The boundaries of the sub-districts are as follows, viz.:

THE
GOETZ

TIMBER CAPS.

BOX-ANCHOR No. 4.

GOETZ-MITCHELL TIMBER CAP.

No. 4 is our method for mill construction. A dovetail formed cast iron box, with extended base plate built into the wall; a lug in the box and a notch in the beam form the tie from wall to wall. The side guides prevent the warping of the timber, and also give air circulation, leaving no chance for dry rot. In case of fire the falling joist frees its own anchorage. Recommended by the National Association of Fire Engineers as the best system now known. Endorsed by Insurance Companies.

THE GOETZ-MITCHELL TIMBER CAP.--All parts are securely held, and still any horizontal beam or girder can fall without damage to the post. The base of upper post is bolted to the Cap, adding very much to the stiffness of a structure. This Cap, used in conjunction with No. 4 Box-Anchor, is certainly the most admirable system now used in slow-burning and mill construction work.

NATIONAL
LIFE INSURANCE COMPANY.

MONTPELIER, VERMONT.

"OLD, TRIED AND TRUE."

CHARLES DEWEY, President. **GEORGE W. REED, Secretary.**

Insurance in force January 1, 1894, $61,632,613.00.

THE NATIONAL, OF VERMONT writes the fairest policy contract ever issued. All its Policies are Non-Forfeiting, and plainly state on face of contract for each year definite surrender values in Cash, PAID-UP-INSURANCE OR EXTENSION OF THE INSURANCE, as preferred.

Has the benefit of more than forty years' experience.

Is purely mutual, furnishing Insurance at lowest cost.

Maintains a large surplus over all liabilities.

ENDOWMENT BONDS.

For a young man this Bond of the National is the most attractive combination of Insurance, Investment and Savings Bank ever offered.

Call at office of this Agency and see it.

The National of Vermont has always been popular with its policy holders. Read the opinion of Hon. Redfield Proctor, late Secretary of War, and now U. S. Senator from Vermont.

UNITED STATES SENATE,
WASHINGTON, D. C., October 27th, 1892.

EDWARD E. SILL, ESQ.,

Dear Sir:

The National Life Insurance Company is a first class company in every respect. I have a small policy in it and larger ones in three other companies, but I wish they were all in the National Life.

Not only as an Insurance Company, but in its general management, it is first class, in fact I don't know of a corporation that has been managed more successfully for a long series of years, than this, and their wise policy is likely to continue. I could say nothing in disparagement, and cannot well speak strongly enough in its favor.

Very truly yours,
REDFIELD PROCTOR.

THE UNITED STATES LIFE INSURANCE CO.

OF NEW YORK CITY.

B. F. ESS, Manager,

Office, 818 Chapel Street, Room 14, - NEW HAVEN, CONN.

The increasing tendency of the public to patronize the smaller and more conservative Life Insurance Companies of this country had its effect upon the business of the United States Life Insurance Co. since 1882. It has doubled its business from 1882 to 1892. They issue all kinds of policies—Ordinary Life, 10, 15, 20, Guaranteed Income Policies. It is the only Company that issues Endowment Policies, on which the insured, by the terms of his contract, can borrow the entire reserve after the third or any subsequent year, which is about 80 per cent of all premiums paid.

The Provident Savings Life Assurance Society,

OF NEW YORK.

SHEPPARD HOMANS, President.

ONE of the STRONGEST, BEST and SAFEST of the OLD LINE COMPANIES.

The nineteenth annual statement of the Provident Savings Life Assurance Society shows that it received during the last year for premiums, interest, etc., a total of $2,149,859.61. During the year it paid a total to policy-holders of $1,333,783.25. The assets at the end of the year amounted to $1,516,271.82, of which $714,326.05 was surplus by the Actuaries' Table of Mortality. To indicate the popularity of this form of insurance we would point to the fact that this society wrote 8,148 policies during the year 1893, covering $23,669,308 and that it had in force at the end of the year 24,533 policies, insuring $83,101,434. This shows that the community is learning to appreciate the value of term life insurance, when the largest amount of protection is given for every dollar paid, at the time when it is most needed.

State Mutual Life Assurance Company,

OF WORCESTER, MASS.

A. G. BULLOCK, President. H. M. WITTER, Secretary.

The Massachusetts Non-Forfeiture Law is the nearest approach to equity yet reached by state legislation.

The STATE MUTUAL issues all its policies in conformity with said law, and every policy is prepared with a tabulated statement of its Cash and Paid-Up Values; and policy holders have not to wait till they are overtaken by misfortune and unable to pay the premiums to learn what the Company will pay for their policies on surrender, but each, at the outset, has an OFFICIAL GUARANTEE of the value of his policy for every year from its issue to maturity.

Parties desiring insurance cannot consult their own interests better than by placing the same in the State Mutual.
